# Golf Biomechanics Expert in Adelaide

## KOOYONGA

**Hit the ball further**

**Test your distances between clubs**

**Improve ball striking & consistency**

**Reduce your risk of golf injuries**

Dr Rob Neal director of *Golf BioDynamics* and world golf biomechanics expert is coming to Adelaide. Dr Neal has tested some of the best players in the world including Jason Day and Rory McIlroy using Computerised 3D Swing Analysis.

### When?

Tuesday October 11<sup>th</sup> and Wednesday October 12<sup>th</sup> at Kooyonga Golf Club with PGA professional John Corbett 8am-5pm  
2 May Terrace, Lockleys SA 5032

### What's on offer?

TrackMan, high speed video and 3D Swing Analysis sessions with Biofeedback training with Dr Neal, John Corbett PGA professional and golf physiotherapist Ben Corso. Also includes a golf physical screening assessment to identify your golf body's strengths and weaknesses.

### Cost?

Special offer as there are only 10 spots available each day, and this is all claimable on private health insurance physio extras:

**\$300 for 90min 3D swing analysis, TrackMan & biofeedback session & golf screening**

### What do I receive?

- 1 hour 3D testing sessions with biofeedback and TrackMan.
- Detailed information from TrackMan on club delivery, angle of attack, club path, face angle, carry distance and swing direction.
- Detailed 3D report of your swing and recommendations for improvement.
- 30 min golf physical assessment with qualified physiotherapist
- Advice and instruction re golf specific drills and exercises.

**Contact the physio clinic on 8342 1233 to book your place NOW**
