

# 2024 New Graduate Opportunities Available

## A bit about us

The Physio Clinic is a South Australian practice group offering high-quality, patient-centred care to our loyal clients for over 20 years. We have three different clinics located at Prospect, Marryatville and Blackwood. Our physiotherapists are experienced in managing different conditions and injuries, offering accurate assessments, management, advice and rehabilitation.

## What we offer

- Manual therapy: including mobilisation, massage, dry needling, education, motor control re-training and exercise prescription.
- Individual and small group rehabilitation/ exercise classes (with access to gym, and pilates equipment including reformers)
- Hydrotherapy
- Anti-gravity treadmill & biomechanical assessments
- Orthopaedic pre-operative and in-patient postoperative care
- Neurological physiotherapy
- Vestibular physiotherapy
- Paediatric physiotherapy
- Women's Health physiotherapy
- Oncology
- NDIS
- Home / Community visits
- Exercise physiology

## About Healthia

The Physio Clinic is part of the Healthia Group, a leading and inclusive organisation that offers avenues for Health Professionals to work in multidisciplinary environments in private practice settings. Our point of difference is that we are led and managed by clinicians who all want to strive for excellence in patient care. As an organisation we are committed to providing diverse, relevant and accessible continuing professional development opportunities that cater for the different interests of our clinicians and of the business.
